WORLD CANCER DAY

World Cancer Day is observed on February 4th every year. It is a global initiative led by the Union for International Cancer Control (UICC) to raise awareness, promote prevention, and encourage early detection and treatment of cancer.

UMBRELLA DAY

Umbrella Day is celebrated on February 10! It's a fun and lighthearted day to appreciate the umbrella—a simple yet essential invention that protects us from rain, sun, and even snow. While the exact origins of Umbrella Day are unclear, it's a great time to recognize how umbrellas have evolved from ancient sunshades to stylish and functional accessories used worldwide.

**Congratulations to
all the winners of
the Throwball
competition!**

Our students hardwork and dedication have truly paid off. A big shoutout to all the participants for their amazing efforts in the MSSC School Zone 5 Meet, organized by Lotus Mount Litera CBSE School on December 1, 2025. Keep up the sportsmanship and continue to shine.

KIDS FOOD FEST

Little Chefs in Action

Our tiny tots showcased their culinary creativity in a fun-filled Fireless Cooking Activity. From colorful fruit salads to yummy sandwiches, our little chefs explored the joy of making delicious treats—all without fire. This hands-on experience not only sparked their imagination but also taught them teamwork and healthy eating habits. Great job, young chefs.

Elocution Competition

Voices of Confidence & Expression

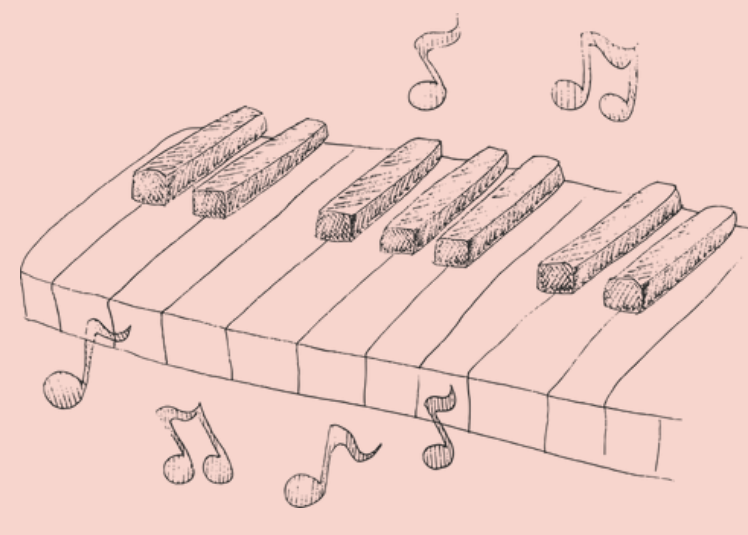

Our young orators took the stage with passion and eloquence at the Elocution Competition. With powerful speeches, expressive storytelling, and confident delivery, they captivated the audience and showcased their public speaking skills. This event not only encouraged self-expression but also nurtured the art of persuasion and clarity in communication.

Story Telling Competition

Tiny Tales Big Imaginations

From fairy tales to fables, our young storytellers from KG to Grade 2 showcased their talent in the Storytelling Competition. Their enthusiasm, confidence, and expressive storytelling made the event a memorable one. A big round of applause for these future narrators and performers.

Exploring the World of Science

THEORY OF EVOLUTION

The Science Expo on February 28th was officially inaugurated by our respected Correspondent Ma'am, marking the beginning of an exciting journey of innovation and discovery! Her inspiring words motivated young minds to explore, experiment, and embrace the wonders of science. The event featured brilliant projects, interactive models, and thought-provoking experiments, making it a grand success.
